Representatives from various boards or committees can be town employees, understanding that individuals should recuse themselves as they see fit if CPC decisions will be made about their entities. Consensus that any taxpayer willing should be considered as a candidate, if willing. Younger members would be welcome; it would be good to get new members who can carry the work forward.

Discussion of possible members/candidates. Consideration of whether two members from any other board can serve. Tim and existing members will reach out to identify other candidates. Discussion of possible Chair; this person should be capable of leading a meeting, and comfortable at Town Meeting.

Thanks and appreciation to Tim, who is stepping down because he was elected to the Selectboard. Lili accepted the position (temporary) of "Acting Chair Pro Tem." Next meeting tentatively scheduled for September 14, 2022.

Minutes from April 6. Alan moved, Lili seconded, all approved acceptance. 5-0.

Lili expressed thanks to all current members and those leaving the committee.

Meeting adjourned by consensus!
