

Sept 13, 2022
6:35 call to order

Present Greg (clerk), Kate L. Kate H, Trevor

May 17, 2022, minutes approved unanimously.

July 11, 2022, minutes approved unanimously.

June 7 meeting minutes need to be approved at next meeting. Kate will look for June 7 meeting minutes from town common, taken by Ben Bensen.

Trevor and Kate talked to Jeff since the last meeting. Discussion of DOT meeting on Deerfield projects, including Town Common. We said we want to take over Sugarloaf and Park but want DOT infrastructure to be updated.

DOT liked slowing traffic plan. Bao Lang and Jeff made a revised design that includes the Common project, as well as traffic calming along Sugarloaf and Park streets. However, we have no money to do this. Jeff thought it would cost around \$500,000—very much a guess—to do this work. Funding is a challenge.

Bike lanes should be considered on Park Street. As should coordinating with the Leary Lot project.

In a way, we can't proceed until we know where the crosswalks are going to be, which we can't know until we have more input from DOT. Trevor says we need to get DOT back and hammer home that this needs to be done. Kayce can help get a date with DOT.

Jeff wrote a letter to Bao and we are waiting to hear back.

October 20 next meeting 6:30

Adjourn at 7:17
