

## Tri Town Beach Summer Kayak Clinics

Tri Town Beach is pleased to offer Kayak clinics this summer for newer paddlers and those needing a refresher on techniques and procedures for their kayak adventures. This will be a 2-hour low-key paddle on our 12 acre pond in Whately led by American Canoe Association (ACA) certified trip leaders from Adventure East. They will cover techniques and procedures that are useful to both newer and more experienced paddlers and cover topics such as: adjusting the rudder and outfitting the boat, beginning the paddle with style, basic forward strokes and steering, and ending your excursions upright and dry from the knees up. They will also demonstrate what to do in the event of a capsized.

Participants must be 12 years of age or older. All experience levels welcome. The clinics will be held at the Tri Town Beach pond at 12 Old State Road in Whately. Kayaks and Personal Flotation Devices (PFD) will be provided by Adventure East.
