2023 DEERFIELD RECREATION
CO-ED T-BALL
KINDERGARTEN & 1st GRADE

Welcome to 2023 baseball.

This is an instructional level for beginner players.

All children in Kindergarten will play at this level. Most children in 1st grade will play at this level.

This program will be a round robin style of play, meeting every Saturday at the Deerfield Elementary School. Schedules will be provided to the parents. Games will be played at 10AM or 11AM amongst the Deerfield teams and other Union 38 teams. The program is designed for instructional learning.

Fundamentals, basic game rules and **FUN** are the main goals of the program. No score will be kept. Children will hit off a tee and all players will bat. More advanced players may be pitched to by the coach. Children are placed on teams by the Recreation Director. A coach will contact you in regard to the time of your first game or practice. Some coaches will practice during the week in addition to your game on Saturday.

The Recreation Department will provide bats, balls, helmets and a team shirt and hat to be worn at all games.

Cost: \$60.00

School choice add \$25.00

Parents must provide a baseball glove, water bottle

Practices– 1 night per week beginning when the fields are ready

Games – April 22-May 27

For those children in Grade 1 who are interested in playing Rookie baseball. Your coach from last year must recommend you to the Recreation Director. You are only selected for Rookie baseball if more players are needed at that level AND you are at the appropriate skill level determined by coaches.
