

DEERFIELD RECREATION **SKILLS ASSESSMENTS**

2022

Skills Assessments

A skills assessment will take place at the end of our spring training. Skills that are practiced during spring training will be evaluated, so that coaches will have a guideline to select their teams. The assessments are also used, so that to the best of everyone's ability, we can ensure balanced teams. Every child will be placed on a team. Every child will be placed on a team at their appropriate skill level. Some player movement may take place to accommodate minimum roster requirements. Evaluators and coaches are not looking for how many balls were fielded or how many times they get a hit, but rather did they take some of the skills and techniques they were shown at spring training to the evaluation process. Our goal is to place your child with a team that will give them the best place to succeed and have fun playing baseball this season.

Deerfield Academy
Albany Rd.
Deerfield, MA

We will be utilizing their new field house– at the end of Albany Rd– set back on the left

| | | | |
